## **Overview of Baillie Court**

Create timeless memories with the perfect wedding at the spectacular Frank Gehry–designed Art Gallery of Ontario.

Take your vows beneath the dramatic sculptural staircase and 40-foot glass ceilings of historic Walker Court. Then celebrate in Baillie Court, a stunning event space with panoramic views of the city and state-of-the-art technology.

With exquisite cuisine by award-winning executive chef Anne Yarymowich and the expertise of a full-service event team, the Art Gallery of Ontario will ensure that your wedding is an unforgettable experience!

Baillie Court inspires a full range of social functions with 7,200 square feet of uninterrupted space and a panoramic view looking south on the city skyline and the CN Tower. Our venue overlooks our feature spiral staircase and glass roof of Walker Court, which are two of the most prominent architectural features of the building.

Baillie Court is located on the third floor of the newly constructed south tower and is accessed by three guest elevators. With Douglas fir finished, sound proof and retractable air walls, Baillie Court can be divided into three separate and distinct event spaces. A custom designed ceiling grid houses a range of lighting, sound and other in house features.

Baillie Court can accommodate various event set ups and guest numbers:

- 450 guests for a stand up cocktail style reception
- 300 guests for a reception and dinner
- 250 guests for a reception and dinner/dance or wedding

Our professional in house events team will work with you to design and deliver an exceptional event experience.
